## Picnic and camping ground notification form for large groups

To help the Sydney Catchment Authority (SCA) manage its picnic and camping facilities please notify us in advance when the size of groups visiting any of our sites would exceed 50 visitors\*.

\*This does not apply to the Warragamba Dam precinct.

Notification helps us plan for security and other resources needed at the site and can contribute to an enhanced visitor experience during peak periods.

The notification form should be received at least four weeks before the proposed visit.

**Please note that the SCA does not reserve camping spaces, picnic tables or shelter sheds. This form is for SCA planning purposes only - it is not a booking or a reservation.**

Please complete the form below and mail or fax this notification form to:
