

The Scout Association of Australia, NSW Branch Inc.

Australian Scout Medallion Leadership Activity Proposal

Form: ASM-AW1
Issue: RIV 0.1
Date: 01/18

The Leadership Activity is one of three components of the Australian Scout Medallion and requires a Scout to show significant personal development while demonstrating an active leadership role. This involved the planning and organisation of an activity or event that should cover one full day or overnight.

The Activity should be entirely the Scouts own work, from idea concept, to the final report. They should however seek advice and council from their leaders, parents, members of their Troop or subject matter experts etc. about the activity as good leaders do! In each case, the Troop Council will mentor and support the Scout through the activity stages.

Further information about the Leadership Activity can be found on www.patroltent.com

Scouts Details:

Name			Date of Birth	
Address			NSW	Post Code
Phone		Email		Membership No:
Troop		District		Region

Activity Overview:

Activity Title:

Things to Remember:

1. Once complete, you will need to complete a *Notification of Achievement* form. Your Troop Council and Scout Leader will need to send off 3 to 4 photographs with the Achievement form. The following criteria should be met and considered whilst completing your activity
 - A minimum of 1MB in size per photograph
 - At least one 'action' shot – either of the Awardee at their ASM Leadership Activity, Adventurer Level Journey or Troop activity
2. Consult with www.patroltent.com whilst formulating your ideas and activity log to know what to do, what to expect from your Scout Leader and also your Troop Council. Make this form part of your log.
